IN THE DRAWINGS

Please amend the drawings as shown in the attached Figure 2. Note that previously revised Figure 2 showed a hand sketch of cleat 5 shown in originally filed Figure 1. Figure 2 now shows a cleat attachment identical to that shown in Figure 1. Such a cleat 5 is not limiting to the cleat claimed; it merely shows one embodiment of the cleat. No new matter was added in either the earlier hand sketch or the revised Figure 2.
